

MIKSI

ARCHIPIELAGO

(Cowhide)

About Archipelago

One of Miksi's most longstanding and classic designs, this rug is constructed from irregular panels of cowhide in a manner that calls to mind the artistic freedom and geometric rigour of a cubist painting. Aspects such as hair length, gloss, direction and tone vary naturally between each piece of leather, for a result that is at once subtle and striking, novel and natural. Archipelago's simplicity of design will accent and sit in harmony with almost any room
